Sir:

DECLARATION IN SUPPORT OF PETITION UNDER 37 C.F.R. §1.47(a)

1. I, ROGER R. BRINKLEY, of 18238 NE 200th Street, Woodinville, WA 98072, U.S.A., declare as follows:
  
2. This is a declaration in support of a petition under 37 C.F.R. §1.47(a) and sets forth facts relating to the refusal of named inventor David R. Lee to execute a Declaration/Power of Attorney for the above-identified patent application, hereinafter "the '032 Application".
  
3. It is my understanding that the '032 Application was filed in the U.S. Patent and Trademark Office on February 12, 2002 and was assigned Serial No. 10/075,032. The Application named, among other individuals, Mr. David R. Lee as an inventor.
  
4. Mr. Lee's last known residence is at 15409 SE 128th Street, Renton, WA 98059. Mr. Lee is presently believed to be employed by Hamilton Sundstrand, One Hamilton Road, Windsor Locks, CT 06096, and is no longer believed to be resident in Renton, WA. Mr. Lee was employed by Superior Technical Resources, Inc., 4020 Lake

**OFFICE OF PETITIONS**

Washington Blvd., NE, Suite 210 Kirkland, Washington 98033-7862, a technical staffing company, and was assigned to The Boeing Company, first in Seattle, WA and subsequently in Bellevue, WA from August 8, 2000 through November 21, 2001.

5. I invited Mr. Lee to come to The Boeing Company on February 11, 2002 to review and sign the Application. Mr. Lee met me in the lobby of building number 7-341 at Boeing Company, 14432 SE Eastgate Way, Bellevue, WA 98008. I gave Mr. Lee the opportunity to review the '032 Application and to sign the Declaration/Power of Attorney, but he told me that he was refusing to sign the Declaration/Power of Attorney until he had his lawyer review the papers. Mr. Lee left without signing the Declaration/Power of Attorney.

6. I hereby declare further that all statements made herein by my knowledge are true and that all statements made on information and belief are believed to be true and further that I make these statements with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both under §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the Application and of any patent issuing therefrom.
